

Manzanita Elementary School
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Manzanita Elementary provides an exceptional learning environment for students ranging from grades PreK to eight. We strive to create a safe, engaging, and dynamic learning environment full of support for our students while also promoting a personalized experience helping them capitalize on their strengths and unique individual characteristics. We believe education provides opportunity. We are committed to giving our students the foundational skills and knowledge needed to give them as many options as possible when they graduate from high school. We believe that students must be challenged with rigorous coursework and opportunities to think critically to solve problems. At Manzanita, we value risk-taking and perseverance while emphasizing academic achievement through collaboration, communication, creativity, and critical thinking. Our focus is building the mindset for learning that supports students in becoming resilient, flexible, and entrepreneurial learners ready to tackle the technological demands of our current world. We provide a variety of learning opportunities that, when appropriate, utilize technology as a tool for learning and student engagement. We strive to create learning spaces across our school that foster the intellectual, social, emotional, and physical growth of each of our students. As a learning community, we value and expect consideration and respect for others, empathy, responsibility, initiative, resourcefulness, and self-advocacy. One of the many amazing things that sets Manzanita apart from other schools is our active parent support and involvement. Parent participation is a key component to student success and we encourage each and every parent to become a part of our community in some way. We take great pride in the strong partnerships we have with our families. Together, we work as a team to ensure that our Manzanita Mustangs develop to their fullest potential and become entrepreneurial learners ready to make a difference in the world!

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

To measure the implementation of the ELA and Math State Standards, MESD is utilizing BCOE's CA Standards Implementation Metric. A modified version of the CA state metric to measure the implementation of all other state standards was utilized. We selected these metrics and subsequent reflective survey tool to accurately analyze and reflect current implementation school wide. MESD has purchased state adopted ELA/ELD curriculums Benchmark Advance for TK-5th grade and Study Sync for 6th-8th grades. Engage New York/Eureka Math and the Aleks program have been purchased to utilize in our current Math programs. Continued professional development for all faculty and staff ensures successful implementation which also focuses on the implementation of EL standards. After analyzing the data, the majority of all faculty in ELA and Mathematics fall into Level 4, "Student Awareness". Evidence of successful implementation includes adoption of CCSS aligned curriculums, PD on that curriculum, weekly allotted time for all faculty and staff to collaborate and analyze curriculum embedded assessments, CAASPP scores, CELDT scores, pacing guides, and create school wide thematic project learning designed to reinforce California State Standards in all subject areas.

School Facility Conditions and Planned Improvements

Manzanita Elementary provides a safe, clean environment for students, staff, and volunteers. School facilities were built in 1962 and include 16 classrooms, school office, soccer field, basketball courts, multipurpose room and a library/gymnasium complex. All facilities are up-to-date and provide adequate space for students and staff. New outside picnic area and tables were put in by our Booster Club. We additionally added a new walking track and exercise stations through the support of the Booster Club, parents and community. During the summer of 2020 Manzanita began a \$9 million dollar modernization and new construction project. This is included modernizing lighting, HVAC, and replacing three portable classrooms with three modular permanent buildings. It also included the addition of two full-day kindergarten classrooms. The project also included three Gen 7 modular buildings that will house the middle school, and includes a library room and a dedicated science classroom.

Cleaning Process: In the evenings and during the day, a team of three full-time custodians ensure classrooms, restrooms, office buildings and campus grounds are kept clean and safe. Removal of graffiti takes place prior to the start of school and repair of necessary facilities are prioritized accordingly. All electrical, plumbing, roofing, and fixtures are in good working condition and meet applicable building and government code requirements.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. Work orders are used to ensure efficient service and highest priority is given to emergency repairs. Facilities are maintained to a degree of adequacy that provides for good learning.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	40	37	40	37	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

MESD believes that our educational program is a student-centered partnership with family, community, and passionate extraordinary staff. All stakeholders have multiple opportunities to provide input and work collaboratively with regard to all district decision-making and are encouraged to participate in all governing board meetings and advisory committee meetings. Agendas for monthly board meetings are clearly posted according to requirements of the Brown Act and an average of 13 parents attend as verified by attendance sign-in sheets. We also have at least 6 parents in attendance at all Booster Club meetings monthly. We also have another 5 parents who participate in our SSC and an average of 20 parents who attend our ELAC meetings. The community is very supportive and despite the challenges of a pandemic were involved as much as possible either in person or online. MESD provides translation services for all events, and activities including parent conferences, IEPs, and meetings with teachers or administration upon request 100% of the time. MESD used the above measures as an accurate reflection of parental engagement. Our communication system Parent Square helps parents stay informed on what is happening at school and provides messages in the parent's home language. 99.7% of our parents are contactable through Parent Square and are able to send messages and participate in surveys or other communications from teachers and other school staff.

2023-24 School Safety Plan

The safety of students and staff is a primary concern of Manzanita Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, earthquake, bus evacuation, and disaster drills are conducted monthly throughout the school year. The Comprehensive School Site Safety plan was developed during the 2023- 2024 school year by the School Safety Committee and Site Council was last updated in January 2024. The safety plan is designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment.

Students are supervised before and after school by certificated staff, classified staff and the principal, and certificated staff, classified staff and the principal supervise students during lunch. There is a designated area for student drop off and pick up. Visitors are requested to "sign in" at the school office upon arrival on campus and wear a badge while on campus.

Fiscal Year 2022-23 Types of Services Funded

Student Success is Manzanita School District's first and foremost priority. All students receive a high-quality education and remediation and intervention is provided to all students falling below grade-level standards in ELA and Math. Remediation for ELA is provided by both credentialed teachers and paraprofessionals using a variety of intervention materials in small groups as well as individualized pull-out programs within the school day. Math intervention is offered in small groups within our classrooms as well as a shadow intervention period for our 6th-8th grade students individualized to student need. EL services are also provided to our EL students within the school day by credentialed teachers and paraprofessionals. We also have an afterschool program that assists all students and teachers are available before and after school for additional support. During the summer of 2022, Manzanita developed an intervention period built into the school day in which all students would be provided what they need either through intervention, enrichment, or extension. During the 22-23 school year intervention was provided to all students in ELA and math during the school day.
